### IT'S FINALLY DECEMBER.....

Well, it has snowed and the temps are starting to drop which only means one of two things: winter is getting closer or you live in Wisconsin. In our case, it is both. With that in mind, many of us have either thought about our snowmobiles or maybe even took them around the house to get the cobwebs out of them. In my case, I moved mine out of my pole barn and put them onto my trailer to make room for two boats (I didn't even start them up – pretty sad). Yet I did think about taking them out on the Friday after Thanksgiving because where we live out here in the sticks, we had two to three inches of powder on the ground. Yet come Saturday (remember that this is Wisconsin) the temps started rising and by Sunday, it was raining and it was in the low 50's. Mother Nature has started us out on the right foot.

Now that December is finally here, our trails are in and we have even disced the plowed fields. We need to thank Bob Thomas for discing the fields. He was more than willing and we all love to see flat trails across a plowed field. Plus, we have taken care of getting our trails marked with GPS coordinates for the Ozaukee County Snowmobile Trail map.

This took place on Friday, December 2 with Dave Pom and Chris Bumpke along with Damien Anderson from Ozaukee County (he had the GPS device). To do this, they had to use two ATVs to run our trail from the east end all the way to the northern end, plus going down the dead end trails while the third guy ran the roads with a chase vehicle and trailer. Thanks guys for getting this done.

On a final note, as the calendar year draws to a close, may all of you have a Merry Christmas and a blessed New Year!!! Till next year,

**“UNITED WE TRAIL, DIVIDED WE FAIL.....”**

## GRAFTON CHRISTMAS PARADE

This years Christmas parade had perfect timing because there was snow on ground to make it feel like Christmas. It wasn't the typical dreary rainy weather as we have seen in the past. Plus, we need to thank Cliff Cole and his kids (his kids are in the above picture) for handling this event and working with Cedar Creek Motor Sports. We would also like to thank them for providing "eye catching snowmobiles" and a trailer for the 2005 Holiday parade in Grafton. You made it so easy to just pick up the sleds, run them through the parade then drop them off.

Having the new sleds on the trailer sure catches the eyes of fellow enthusiasts and reminds them to support their local snowmobile club. It also reminds them to support the sport of snowmobiling in general.

Having the sleds in the parade may even get them to think about buying a new one! (Good advertising.) A lot of people asked about the sleds and we referred them to Cedar Creek Motorsports. The technology has changed tremendously and some folks have not seen the new platforms and moto-cross types of suspensions. One of the older fellows mentioned that he does not ride aggressively but wants a new one with a long travel suspension that would be easier on his back.

We really appreciate the ongoing support Cedar Creek Motor Sports has shown to the Monticello Snowmobile Club.

## OFFICER CHANGE

Last month, our club secretary, Mike Mueller, approached me stating that he would like to resign as club secretary due to time constraints and not being able to fill his duties 100%. We have accepted this and have asked Mike Brown to cover the balance of the term for secretary.

So a tip of the hat and a hearty thank you to Mike M. for the job you have done as club secretary, and thanks to Mike B. for stepping up to cover.

## MEMBERSHIP

If you have paid your dues, we thank you for taking care of them in a timely manner. As of last count, we only had four or five memberships that weren't renewed from last year. So if you haven't renewed as of this newsletter, this will be your last one. Stop in a

## SAFETY COURSE

*Please note, anyone born after January 1, 1984 must have a snowmobile safety certificate to operate a snowmobile in our state.*

Our safety instructor, Andy Lyneis, will hold the snowmobile safety course on December 5, 8, 12 & 15 and will be held at the Cedarburg Police Department and will run from 7:00pm to 9:00pm. Not sure if the class is full at this time, so please call Andy Lyneis at (262) 377-7907 to pre-register. Cost is \$10 per student and is open to anyone 11-1/2 years and older.

## SNO-FARI's

St. Germain will be our first Sno-Fari of this season and will take place February 3, 4 & 5. We have 10 rooms reserved at the Hearthside and four have been taken. Give Dan Burback a call (262-692-3704) for reserving your room or stop in at the club meeting. Deadline is the January club meeting.

The second one we are going to try the Gateway Lodge in Land O' Lakes on February 24, 25 & 26. We have booked six (6) rooms and at least one is taken. You can contact Dan for this Sno-Fari as well for a room reservation. Deadline for this trip is the February's club meeting.

## FOR SALE
