LAST CALL.....

It is time for the last official club meeting of our season. Next, the fair will be upon us depending on certain outcomes (you'll read more on this later). May's Club Meeting is the time to elect officers to the Board of Directors and to hear what is ahead for the summer months. We need to rebuild a bridge later this summer plus we have the fair (stop rolling your eyes).

As many of you know, we have been discussing the fair since March and we still haven't made a decision one way or the other regarding our food and beer tent. There are many unanswered questions and we are still waiting for answers, which put us at the same place as last month. This very possibly could be a script for a soap opera – *As the Fair Park Rolls Over.....*

Prior to our Club Meeting this month, there is a meeting between the Ozaukee County Supervisors, the Fair Board, and any other interested parties on Monday, May 10, 2004 at 7:00pm at the Fair Park Office – this is their monthly meeting. As of now, we plan on attending this meeting to find the answers that we are still waiting for -- it has only been three months. Otherwise, we are still in a holding pattern. Hopefully, May's meeting will have us making a decision on the fair.

I would like to thank all the volunteers helping us with the fair, trails, meetings, newsletters, club outings, Sno-Faris, trail rides, and anything else that makes our club happen. Also, thanks to the landowners for allowing us to cross their property with our trail. Without volunteers, members, and landowners, we would not have trails or a club like ours. Thanks again for helping make our season more enjoyable.

County Fair

Well, we still haven't decided on this summer's Ozaukee County Fair, due to certain groups involved with the fair are trying to work out their differences.

The fair this summer runs from Wednesday, July 28, thru Sunday, August 1. If we do decide to do the fair this summer, our calling committee will start calling you to volunteer to work late May to early June. Please help us out as it is our only fundraiser of the year.

By the way, as much as I would like to say that we're doing the fair again this summer, if we don't, we would need to find a different fundraiser to help support our club. We have come up with a few ideas, but remember, more is always better.....

Nominations & Elections

Currently, three member's terms are up for the Board of Directors. They are Patty Kison, Cathy Kison, and Mark Gall. At April's Club Meeting, we opened up the floor for nominations and the following were nominated: Patty Kison, Mark Gall, Mark Helm, and Mike Brown. We will re-open up the nominations at this month's Club Meeting before we hold the elections. Remember, be there or be elected.

Club Clothing

We still have three articles of clothing that were ordered this past winter that need to be picked up. Also, we have additional club clothing for members to purchase and display our club's name proudly. Please make arrangements with Patty Kison to pick up and pay for these items. See her at the next meeting or give her a call to arrange a time at (262) 677-2996. Thank you.

Club Outing

We had 35 club members and one landowner join us for a night of socializing and laughter. We enjoyed an awesome meal at the JailHouse (where you can never go wrong for dinner) and some good laughter at Giggle's Comedy Club in Germantown. Even though the first comic used some colorful language, the second one was very good. One of our fellow members was asked to tone it down during the show – can you believe that one of our members could get out of hand? Plus two members got picked on for not laughing at part of his routine. Standup comics – you're either real good, or you're playing far, far away.
