THE FAIR IS GETTING CLOSER...

Trying to stay focused on writing this as the weather is in the mid 60's and the sun is still up, makes this easy to put off for other projects spring brings. I'm trying to find time to sharpen our lawn mower blades which are duller than a butter knife. Time flies when you're having fun.

Right now, our major focus is on the upcoming Ozaukee County Fair. We have turned in our paperwork to ensure our place again on the farthest northern portion of the fair grounds (close to Newburg we've been told) plus getting the bartender's licenses filled out and turned into Cedarburg City Hall. The other major issue is getting the beer agreement from the Fair Board; we haven't seen anything at the time of this newsletter nor have we heard of any good rumors such as Miller vs. Bud. You know how that goes – the more time without information, the better the rumors become. We're going to shake up the trees in Cedarburg to see what falls out to let us know what direction we are to proceed. Our phone committee is getting ready to start making phone calls to our members to set up our schedule.

Our tent will be close to the same area as it was last year; we do plan on moving it to the west so the hose spigot is outside the cook shack and the west entrance is more visible from the road. We will have vehicles and other items to draw attention to our tent. The cook shack is good to go and the bar is in the planning stages as we speak. Plenty of ideas between Mike and Bob; next is getting them organized and onto paper and then construction will start. If I know Bob and Mike as I think I do, one thing for sure is that our new bar will be able to handle anything Mother Nature throws at it as well as the force of mankind leaning on it.

Enough of my rambling; read on to learn what happened with nominations and elections from April, dates for the county fair, and what we have for sale. So until next time, remember to keep your track in the snow and.....

"UNITED WE TRAIL, DIVIDED WE FAIL."

NOMINATIONS

Well, we took care of nominations and elections all at the April Club Meeting. We had three Board Member positions up for re-election. Those three were Chris Habich, Mike Mueller and Dan Burback. Chris and Dan were re-nominated and this left one more position. Kathy Kison (Denny's Kathy) was then nominated and she accepted. No other nominations were made and then a motion was made to hold the elections that night and all three were elected to the Board of Directors for a term of three years starting September 1, 2006 and running thru August 31, 2009.

It was brought up that usually we nominate members for the board in March and elect them in April. We had a short debate on this, and since none of us had a copy of our By-Laws along, we went with the majority rule and held elections. Plus, May seemed to be too late to get a good number of members at the club meeting and hold elections.

One draw back that I discussed with a fellow Board Member is that we need one to two alternates to be elected each year. (That is how she got onto the Board – by being the alternate.) This way we are covered in case some steps down for some reason. So at our first club meeting of next season – September – we will re-open nominations and then elect the alternates. I have a few members in mind for this position.

We like to thank Mike for his hard work and dedication to the Board during his terms and I know he will be back. We would like to welcome Kathy to the Board of Directors and welcome back Chris and Dan.

COUNTY FAIR

Mark your calendars (if you haven't done so already) for Wednesday, August 2 thru Sunday, August 6. These are the dates for this summer's Ozaukee County Fair. Our calling committee will be calling our membership looking for volunteers to cook, tend bar, restock supplies, wipe tables, cut buns, and set up as well as tear down our bar and cook shack. Set up will take place on Monday and Tuesday, August 1st and 2nd. Please give us a hand when and where you can. If you have only an hour or if you are unlimited on time, we can use you. Let us know what you can do when we call. Thank you in advance for your help.

Our new picnic tables will be arriving by the end of next week and will be ready for the fair. The only item left is the beverage agreement to be signed and returned to the Fair Board. Pricing for the beer and Mike's Hard Lemonade are the same as last year. If Seagram's is available, we will be able to sell it. Beer will be available in 14oz. cups and 48oz. pitchers as in the past. WOW Distributing and Better Brands are still the preferred beer vendors for the fair. This gives us Miller and Miller Lite to sell at our bar. Miller has been good to us since we switched to it in the early '90s. And we have profited ever since.....

BOARD HAPPENINGS

Mike Brown and Vicki have gotten engaged last month right before they went to the Bahamas. No, they didn't get married while they were there, it was just a vacation. Or so we were told. Right now, they are working on planning their wedding. So, raise your glass, bottle or can and let's give them a toast to their engagement and their future together.

FOR SALE

Please note that this will be the last issue with for sale items until September's issue. Please give me a call in late August if you wish to continue listing your item. And just to let you know, we did sell two sleds using this free ad listing this past season.

2003 Polaris 600 Classic, electric start, reverse, cover, 2700 miles, Asking \$3600 or best offer. Call Jim at (262) 377-7709
