GAINING MOMENTUM.....

Once again, I am sitting in front of my computer trying to be as creative as possible and put together a whopper of a newsletter. But all that keeps coming to mind are the projects I need to complete around the house. This isn't helping me write because I would rather be outside working on something than be inside, or attending a swap meet or two looking for something useful, even though I may buy it without a purpose in mind.

Anyway, our season is starting to get rolling this month. We are looking at repairing a bridge in the middle of the month and then start working on trails. We need to get to the bridge before it gets too wet to get in with equipment. Also, trail work will be starting this month as well because deer hunting starts on the third weekend of November. This means half of the club will be deer hunting, at that time. Check out the dates and times on the backside of this newsletter.

There are many things happening this fall as well as trail work. The snow show will be at State Fair Park October 8th, 9th, and 10th; plus the AWSC Convention held in Stevens Point at the end of the month. We are looking for volunteers to attend the convention and represent our club. Let us know if you are interested. The club will pay your mileage to and from Stevens Point as well as the two-night stay. Plus, we are looking at having a club outing this fall in the form of a Packer party. We have reserved part of the banquet hall at Circle B for November 14. There is many more club outings we are working on given the snow cooperates with us. Read on for further details.

Lastly, I have added a new feature to the newsletter -- the monthly attendance to our meetings. I will also add the number of members as the memberships are turned in or renewed. Lets keep the counter rolling upwards!!!!

CLUB OUTING

Now is the time to rally together for our Green Bay Packers!!! We are planning on having a club outing this fall and the plan is a Packer Party!!! So mark your calendar for Sunday, November 14th game where our green and gold take on the Minnesota Vikings. Since kick-off is at 3:15pm, our party will start at 3:00pm; so put on your favorite team's colors and/or jersey and join us for good time. We have reserved the east ½ of Circle B's banquet hall (with the bar attached and where we have our meetings) and we will have a big screen TV brought in to watch the game. Schwai's will be catering the buffet dinner that will take place during half-time. Cost for this affair is \$15 per person (adult or child) which includes beer and soda. (This is to help offset the cost of the meal and beverages.) Active members volunteering 16 or more hours during last season (September 1, 2003 to August 31, 2004) will get in for free. This is to say thanks for all your hard work. We will notify the active members that qualify for this outing. Please R.S.V.P. by November 1st to either Patty Kison at 262-677-2996 or Chris Habich at 262-387-1161 only if you are going to attend. GO PACK!!!!!!

BRIDGE WORK

We are planning on Saturday, October 9th at 8:00am to start work on repairing the bridge in the Pleasant Valley Park. The park is located east of Hwy I and west of Maple Road along Pleasant Valley Road. Randy Kison is heading up this project and would like to meet at the park at 8:00am. Please give him a call if you can help at 262-677-2996 and also let him know if you have any tools that we would be able to use. The following Saturday we are planning to use to finish the bridge (if not finished on October 9th) or use it to

start trail work. See below.....

TRAIL MAINTENANCE

Mark your calendars for the following Saturdays to work on trails:

October 16th (unless finish bridge work)
October 23rd
October 30th
November 6th
November 13th

Starting time for all of the above is 7:30am and we are meeting at Ma Kison's. We need to get the trails in within the above time frame due to deer hunting season being early this year. Given we can get into the areas where our trails are, we have set our sights to get all finish by November 13th. So gas up the ATV and chainsaw, grab you sledge hammer and we'll meet you at Ma Kison's. The more volunteers, the sooner we will finish. Let's hit the trails.....

CLUB MEETINGS

Our club meetings will be held again at Circle B Recreation Center on the second Thursday of each month starting in September and running thru May. Right now, we need to move January's club meeting to the first or third Thursday of the January due to an auction happening on the second Thursday. We will keep you posted as we decide on a date.

MEMBERSHIP DUES.

We are still looking to receive your dues. Please send in your renewals or new membership this month. Or stop by the club meeting and drop it off. Once again, as we do every fall, we need your club membership.

Help us save time and paper by renewing your membership this month. Also, this will get your membership with the AWSC renewed sooner so you will continue to receive your Wisconsin

Snowmobiler magazine without interruption.

The dues for the active and non-active membership is still the same as last year (\$25 for active and \$40 for non-active). Please fill out the application included with this newsletter and either mail it to our P.O. box or bring it with you to the October club meeting.

SNO-FARIS

Nothing new has been brought up with our Sno-Faris. We only have one Sno-Fari set and this is for St. Germain in early February. The possibility for a second one for mid to late February to either Three Lakes or Bounder Junction is still in the works. Any other ideas or if anyone wants to volunteer to lead one, please let us know.

ANNUAL CHRISTMAS PARADE

We will have an entry in the Grafton Christmas Parade again this fall. The parade is the Saturday following Thanksgiving. We are **still looking** for volunteers to help with this event. Whether it is just a trailer with snowmobiles on it or something elaborate (we're easy to please) let us know if you are willing to help. Ideas are welcome.

FOR SALE.

Isn't anybody looking to sell anything? I have a few things I could list, but I'm looking for snowmobile type items. Fax, phone, or email me with your list and we'll get it printed in next month's newsletter.
