Second Club Meeting
Thursday, October 13, 2005

STARTING NUMBER 39.....

September is almost over and we have started out our 39th year the hard way. I was unable to make the September's club meeting and due to the low turn out – one club member along with 3/4 of the board – the meeting was canceled. I pray that this isn't a sign on how this year will turn out. We need you, our members, at our club meetings to help us discuss, debate and vote on issues both major and minor that affect our club. Please mark your calendars for the club meetings throughout this season. Our meetings take place on the second Thursday of each month, September through May. They are held at Circle B Recreation Center in Cedarburg and follow the Board Meeting. Current discussions at this month's club meeting will be on purchasing a 4-place trailer for our club.

Also, we need to receive your membership applications as well as your dues for this season. I know we're just coming in from summer to fall, yet our club still operates all year long regardless. Please use the enclosed application to submit your dues. Either mail them to us – note we have changed the mailing address to Denny & Kathy Kison instead of our P.O. Box due to the fact that they take care of mailing out our newsletter each month – or bring it to this month's club meeting.

On a sad note, Mike Dondlinger – longtime active member – lost his wife – Sue – to cancer on Friday, September 9, 2005 after she courageously battled it for 3-1/2 years; she was 45 years young. This past winter, Mike hung up his helmet and keys to his snowmobile in order to spend more time with Sue, as her cancer was not going well. They spent time traveling wherever Sue had wanted to go, including visiting her sister living in Costa Rica. They also spent time on the east coast where Sue was being treated. Our prayers and condolences go out to Mike and his family at this time of loss.

CLUB OUTING...

We are planning a Packer Party this fall at Circle B Rec Center in the portion of the hall with the bar on Sunday, November 6 (this is the same area of the hall where we hold our club meetings). The Packers have a late afternoon game with kickoff at 3:15pm. This allows you to have a normal Sunday morning, while enjoying a Packer game in the afternoon with us, your snowmobiling family. The bar will open at 3:00pm with free beer and soda. We will have finger food (snacks) available during the game; the dinner will be catered, and will follow the game roughly around 5:00 or 5:30.

We will follow our guidelines as we did last year for this outing. Active club members working twelve (12) or more hours this past season (September 2004 thru August 2005), are invited with a guest (spouse, girlfriend, boyfriend, or _____) at no cost. For the remaining active members plus non-active members, the cost is \$10 per person. Children are welcome to this outing – there is bowling and the game room available for their entertainment (at your cost). Even some adults bowled a few games at our last Packer Party.

Please R.S.V.P by Wednesday, October 26, 2005, to Patty Kison (262-677-2996) or Chris Habich (262-387-1161). We need a head

count for our caterer. GO
PACK!!!

TRAILS

Working on our trail system starts in October, even though we start discussing them whenever we hear of land changing hands or is being developed. Currently, the land that our trail crosses along Hillcrest, east of Highway I, may be an issue this fall. We will know more as fall sets in.

Right now, we are starting to contact our landowners to get their permission to cross their land again this year. Plus, if there were any problems from last year, we plan on working on the issue to keep it from happening again this season. Then in late October and early November, we start brushing and signing our trails. We will need as many volunteers as possible to help get our 22 miles of trails in before the ground freezes so mark your Saturday mornings in late October and early November to help us.

MEMBERSHIP

It is fall and when fall is here, membership dues are due. Use the enclosed application and mail it to the address on the bottom or bring it to October's club meeting. We need you to take care of your dues early so we can keep our mailing lists as well as the AWSC list up to date. Thanks.

GRAFTON CHRISTMAS PARADE

Cliff Cole and his kids have accepted the assignment of representing us in the Grafton Christmas Parade again this year. They had a blast last fall, so to do it again was an easy decision. The parade is on Saturday, November 26, and starts at 11:00am. Thanks Cliff and kids for helping out our club with this event.

SNO-FARI's

Once again, we are looking to St. Germain for early February and possibly Land O' Lakes area for late February or early March. Watch the newsletters or stop in at the club meetings for further information.

FOR SALE

1999 YAMAHA PHAZER 500
2100 miles, 2-Place Trailer w/salt shield, Call Marsha at 262-375-2179
