STARTING NUMBER 39.....

Well, summer is winding down and fall is approaching which means we will be starting our 39th year as a snowmobile club. In the early years of our club, their main focus was on racing and having a good time. The scrap book has many highlights from that era; surprisingly, those guys could get plenty of air with the heavy sleds of the day. Today, we're focused on trails rather than racing. Quite a feat considering how many makes and models of snowmobiles were available in the late 1960's compared to today with only four major manufactures left in the market. So our club has been through a lot yet we're still a club and enjoy the sport of snowmobiling. Looking forward, next fall will be number 40.

One event that has been carried through the years since day one, is our involvement in the Ozaukee County Fair. Even though we have done it for years, we had a couple of firsts this summer: the AWSC's Miss Snowflake made an appearance at our tent (at least to my knowledge), and we we're voted the "Best Hamburger on the Fair Grounds". Go figure, two in one summer. I didn't get a picture of the "Best Hamburger" due to the critic enjoying every bite, but I did manage to have my sister-in-law take a picture (below) of the AWSC's Miss Snowflake Samantha Booth along with Wally Thill (Director for Ozaukee County) and myself in front of the AWSC trailer. Now I will have to make an entry in the scrap book for this event – plus our own Nesco Queen is giving us our

"Best Hamburger" certificate to add to the scrap book as well. What a summer this has been....

Now it is on to fall and planning trail work plus a club outing. We'll discuss this at September's club meeting.

Plus, club membership is due during September and October, so use the enclosed form to renew your membership.

See you on the trails.....

COUNTY FAIR

Another county fair is behind us and the numbers have been tallied. We're close to what we were at last year and we will discuss them at September's Club Meeting.

We would like to thank our commercial sponsors for their support: 5 Corners GMC Pontiac, 5 Corners Dodge, and Cedar Creek Motor Sports. Please help return the favor by supporting them.

We also need to thank all the volunteers for your help at this summer's Ozaukee County Fair. Special "Thanks" to those putting in extra hours above and beyond, especially Chris "Nessco Queen" Habich, for coordinating another county fair. Thanks to all the kitchen help & cooks, bartenders, setup and tear down crews: Hibber & Clint, Scott Mueller, Mark Gall, Kison Boys, Jeff & Connie Kimball, Mike Dondlinger, Mel & Janet Trapp, Mike Hetchler, MaryEllen & Bob Hoffmann (our in-house carpenter), Dick Larson, Sandi & Karl Birkenbach, Dan & Lori Burbach, Mike Mueller, Mike Brown, Heather Brandt, Ken Seidl, Bill & Jenny Gall, John & Jan Jepson, Franz Schmidt, Frank Even, Chuck Laufer, Jim Henning, Paul Gandrey, Ed Weidermayer, Laurel Bath, Dirk Uhlig, Dave & Nancy Polzin, Sandy Weber, Vicki Weber, Jerry Kresse, Randy & Patty Kison, Jim Ertl & Carol, Eric Oleson, Shawn Grady, Denny Kison, Rick & Kim Dickmann, Jim Cripple & Geri, Lisa Hansen, Chris Bumpke, Craig "Crash" & Lori Hoffmann, Terry Gall, Jennifer & Jim Hoffmann, Jim & Kathy Jungers, Mark & Lisa Helm & Joann, Tim Brown & Jeannette, Hibber & Clint, John & Tracy Houle, Mike Kocher, J.P. Kohl, Jeff Habermann, Dave Helm and family, Pam & Bob Paricak, Micheal Day, Mary Heck & Steve Kalsow. Without you – the volunteer -- our annual fund raiser would be a bust.

One plus, as you read earlier, we were voted the "Best Hamburger" on the grounds!!! Cooks – keep up the good work and remember: "No Shoe Leather is To Be Served!". This helped us out in addition to our special liquid where the burgers soaked after the grill.

Also, we have extra "T"-shirts available for anyone interested from the fair. We have "L" or "XL" available in orange, yellow or green. Stop in at September's club meeting or give Chris a call at 262-387-1161.

Thanks again all for making this fair another successful fair for our club.

MISS SNOWFLAKE

Samantha Booth, AWSC's Miss Snowflake, had a wonderful time at our county fair. When I finally got the chance to talk to her, it was already after 5pm and she had been at the fair since 9am. Samantha had visited with many people throughout the day including our own club members and said that she enjoyed being at our tent and our members were very pleasant and fun to talk to. We made a good impression on her and this allowed her time with us enjoyable.

Wally Thill also enjoyed his time with the AWSC trailer and us. He spent Saturday in the trailer and discussed snowmobiling with those that stopped by. The trailer is very informative and set up to be very user friendly. Thanks Wally for your time and help with the trailer.

TRAIL IMPROVEMENT RAFFLE

We raffled off a fully set up demo car at this fair and when the winning name was drawn at noon on Saturday, we – as well as the winner – were pretty surprised. Craig "Crash" Hoffmann was the winner and got to drive in Saturday night's event. Supposedly, he made it quite far and possibly to the final heat. Not bad for a rookie.

CLUB OUTING

Were looking to plan another club outing this fall. We are open to suggestions and here are a few that have been brought up already: Packer Party, picnic, and dinner party. Bring your ideas to the club meeting this month so we can plan something for the fall.

MEMBERSHIP DUES

Please note that your membership dues and applications are due. Use the enclosed application for renewal. If you know of other snowmobilers that would like to join our club, please feel free to make copies and hand them out.
